Our apartment lies in one of the calmest and the most pleasent area in Zalakaros, it’s 700m from the spa.

It’s high quality accomodation for 8, or 10 (12) people, and it offers the feeling of a family house with garden. (e.g.:sun-bathing, grill-party, sweting pot, barbecue, „home championship”)

The house has equipped kichen and bathroom.

The location of it can be perfect for calm relaxation, the traffic is small so the air is cleaner too.
